

Lake of the Falls Map

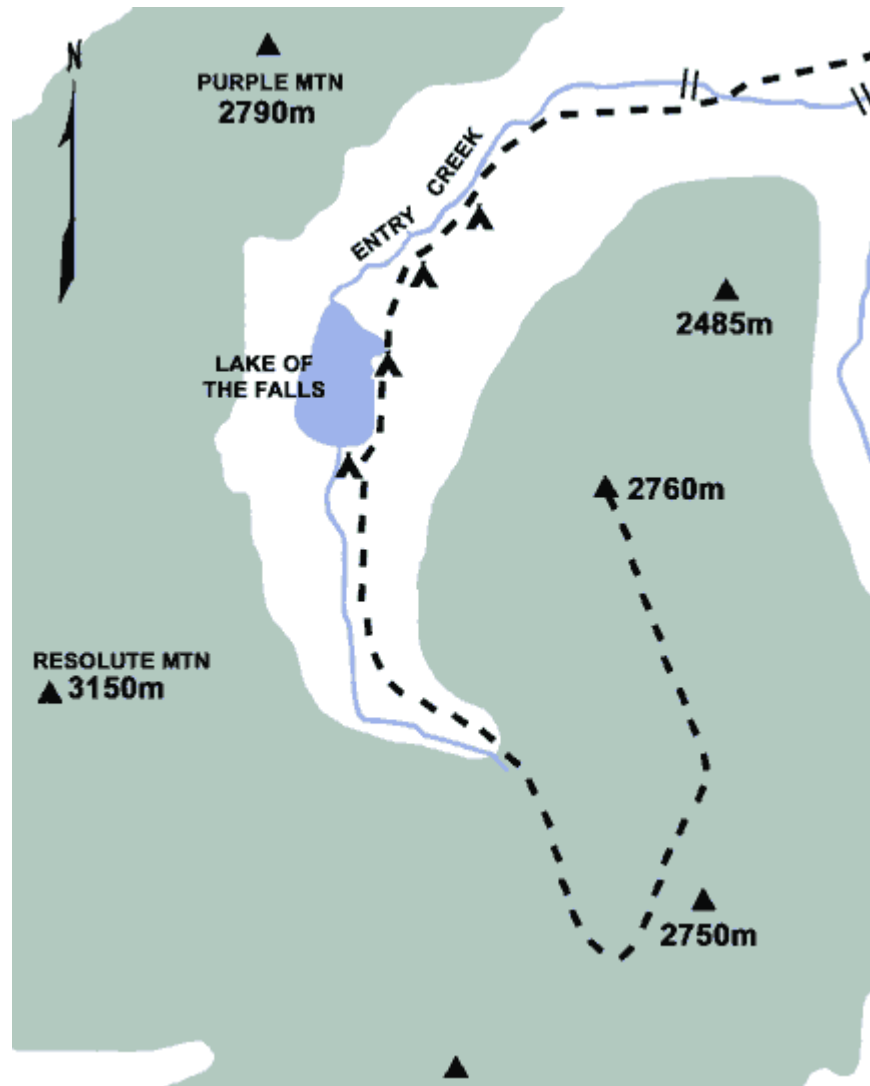

Pinto Lake Trail

Four days is the time that you will require to complete this hike that covers a distance 65.4 km. Along the hike you will have to cross the stream a few times so wear the proper footwear.

Waterfalls Creek

This full day 15.3 km hike passes over a very rough trail with deadfall as well as bushwhacking.

Lake of the Falls

Having some steep inclines over 33.2 km make this hike well worth the effort. You'll want to spend three days taking in the scenery and enjoying the hike.

Lake of the Falls Lookout

Covering a distance 10.4 km and gaining 640 m in altitude over this half day hike, the view of the surrounding area is spectacular.
